

New LRCC Categories Workshop

Are you responsible for ensuring regulatory compliance for new industrial chemicals?

Do you want to learn more about the new options for Low Regulatory Concern Chemicals (LRCC)?

If you answered 'yes' then don't miss the New LRCC Categories Workshop in Melbourne.

This workshop will focus on the new LRCC categories recently implemented by NICNAS, including changes to the permit categories (e.g. new controlled use permit, and extension of the LVC permit to low hazardous chemicals introduced at up to 1000 kg/year), and introduction of the modular assessment options for certificate notifications.
